

BEVERAGE MENU

G&T Catering is a locally owned and operated family business in Canterbury who are on a mission to craft connections through seamless service and excellent food by offering places, spaces and events for people to engage. Gabi and Tom recognised a gap in the market - the need for home cooked food done well with a straight forward and simple service philosophy of providing an all-inclusive quoted price. From here, G&T Catering was established.

We're proud to offer a delightful range of beverages to complement our wide selection of G&T Catering options. Whether you're planning a casual gathering or an elegant event, our thoughtfully curated beverage offerings are the perfect accompaniment to your chosen menu. Our team is happy to help pair beverages and food selections to enhance your guests' experience.
