G&T
catering

G&T Catering is a locally owned and operated family business in Canterbury who are on a mission to craft connections through seamless service and excellent food by offering places, spaces and events for people to engage. Gabi and Tom recognised a gap in the market - the need for home cooked food done well with a straight forward and simple service philosophy of providing an all-inclusive quoted price. From here, G&T Catering was established.

Please email your order through to info@gtcatering.co.nz along with your name, company, contact number, delivery date, time and location. We'll email you a confirmation of your order and send through a quote. Orders placed with less than two working days notice cannot be guaranteed delivery. A minimum order quantity of \$200 per order (\$800 on Sundays) plus delivery fees apply. All pricing is GST exclusive.

While we do our best to accommodate dietary needs, our kitchen is not allergen-free and handles ingredients such as dairy, gluten, nuts, and shellfish. Cross-contamination may occur. If you have specific dietary requirements or allergies, please inform our staff when ordering.
